

Iman

Iman receives high performance coaching on a weekly basis from a leading high performance coach. Iman also applies herself to fitness and conditioning techniques weekly learnt from sessions provided by the Trust. Despite the fact that Trust is her sole means of financial support, she has reached a ranking of 33 at 18 and under in Women's tennis in this country and she is playing Grade 1 tournaments with world ranked players.

“I, Zuli, and my daughter Iman would like to thank the All Star Youth Tennis Trust for your support that has been extremely helpful for us and it has played a huge part in our great successes this year by achieving our target. Thank you very much.”
